Re: • **Docket No. 2018-401-E**

Ms. Boyd:

The undersigned represents Beulah Solar, LLC and Eastover Solar LLC, (hereinafter together as, “Beulah/Eastover”) in the above-referenced Docket. Please reference the Hearing Officer’s Directive, Order No. 2019-31-H, issued in this Docket on March 18, 2019.

The Directive described above directs the parties in this Docket to update this Commission within 60 days of the date of the Order, set forth hereinabove. Specifically, the Directive requires the parties to update the Commission on the resolution of discovery issues and the status of the “stakeholder process”, that began on March 7, 2019.

As for Discovery Issues.

Counsel for Beulah/Eastover filed a Motion for Protective Order with this Commission on February 22, 2019, which Motion is still pending.

As for the Stakeholder Process.

The South Carolina Solar Business Alliance, Inc.¹, (“SCSBA”) and the Company have been participating in a stakeholder process, which, *inter alia*, is dealing with the curtailment process currently in use by the Company. The nexus of Beulah/Eastover’s two Requests for Modification, is the curtailment process currently utilized by the Company. Accordingly, it is hoped that the modifications that may come from the stakeholder process, may end these disputes and allow this Docket to be administratively closed. Factually, the first meeting in the stakeholder process was held on March 7, 2019. A second stakeholder meeting was held on April 29, 2019 and it is anticipated that a third stakeholder meeting will be scheduled approximately 30-days from the April 29, 2019 meeting.

All parties of record in Docket 2018-401-E have been served. Please advise if you or the Commission require any additional information, and this correspondence is,

Respectfully Submitted,
AUSTIN & ROGERS, P.A.
